

HONORING KEVIN AND ANNETTE
MANDREL

HON. LUKE MESSER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2018

Mr. MESSER. Mr. Speaker, I rise today, on behalf of the entire 6th Congressional District of Indiana, to recognize Kevin and Annette Mandrel for their contributions to our state.

The Mandrels are fellow believers, and I have appreciated their prayers and encouragement over the years. They have also been community leaders for decades and have made a positive and lasting impact on the state of Indiana. Kevin sits on numerous local boards, including Bosma Enterprises, Rush Memorial Hospital, the Arthritis Foundation and the Youth Opportunity Center. Their son, Christian, also worked as an intern in my office in Shelbyville.

On a personal note, the Mandrels were also among my earliest and most vocal supporters. Jennifer and I cherish our friendship with the Mandrels. We want to thank them for their friendship and support of my work in Congress. We wish them continued success in all that God has planned for their family.

BIG HEROES, TINY HOMES—
STUDENTS HELPING VETERANS

HON. TED POE

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2018

Mr. POE of Texas. Mr. Speaker, according to the Michael E. DeBakey VA Medical Center in Houston, Texas, 28 percent of Houston's homeless population are veterans. That is over 3,600 homeless veterans in Houston alone. These same veterans admirably served our nation and have dedicated their lives to the service and protection of the United States.

Across the nation, "micro homes" are being used as transitional homes for those in need. A micro home is defined as a residential structure with utilities and built for full time occupancy, in less than 350 square feet. Micro home communities have been created by charities in Austin, Dallas, Detroit, Los Angeles, Nashville, New York, Olympia, Portland, Seattle, and Syracuse. Now, students at Humble ISD are trying to add Houston to that list.

More than 70 students at Summer Creek High School and Kingwood Park High School are working to create a community of micro homes for homeless veterans—designing tiny homes for big heroes. The students have spent the last several months designing the blueprints and a 3D model for the 200-square foot home and working with architects to make sure it works. From paint colors, to roofing, to electrical wiring, they have designed and obtained prices for everything necessary to complete their vision. Unlike usual school projects, this student-led initiative requires marketing to prospective donors and could take years to successfully complete this micro home community. These passionate students have given pitches and presentations to countless potential donors, the City of Humble council members and mayor as well as the City of Houston.

So far, the students, along with the help of faculty and staff, have raised \$40,000 to level a piece of land next to the school where they can begin the next phase of constructing the homes. Both Summer Creek and Kingwood Park will build a model tiny home by the end of this school year. The goal is to eventually partner with a nonprofit and also raise money to buy land to place the homes.

Before giving a presentation to potential donors, a senior from Kingwood Park High School, Nicholas Logan, told Texas School Business Magazine: "It's given me a purpose. I'm not just going to school today. I'm going to school so I can attend a meeting, so I can get the funding to help other people, so they can have a home." It is because of the actions of selfless minds like Nicholas, that this great country will be in the good hands of our future leaders.

Good deeds do not go unnoticed. I know that the residents of Lake Houston Area are proud of these students and I applaud not only the students for their tremendous achievements and commend them for giving back to our community, but their parents as well. They are truly making a difference and represent all that is right and good in America.

And that's just the way it is.

IN RECOGNITION OF SHERIFF
CHARLES McDONALD

HON. MARK MEADOWS

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 14, 2018

Mr. MEADOWS. Mr. Speaker, I rise today to recognize my friend, Sheriff Charles McDonald, who has served as a faithful law enforcement officer in Henderson County for over thirty years. With the support of his wife, Jennie, Sheriff McDonald has demonstrated an unwavering commitment to the people of Henderson County and to the safety of our community.

Sheriff Charles McDonald served in the Navy for four years before beginning his public safety career in 1985 as a Patrol Deputy in Henderson County. Over the next 25 years, McDonald went on to serve as a Lieutenant in the Drug Enforcement Unit, Patrol Squad Lieutenant, SWAT Team Leader, Department Training Officer, Chief of Criminal Investigations, Sheriff's Command Staff, and Captain.

In June 2010, Sheriff Charles McDonald retired with 25 years of service in public safety until March 2012 when he was appointed by the Henderson County Board of Commissioners to the Office of Sheriff. After six years of faithful service, Sheriff McDonald will complete his duty in office on December 3, 2018.

Under Sheriff McDonald's leadership, the department has effectively combated illegal and prescription drug abuse in the Henderson County community through prevention efforts, education, and enforcement. During his tenure, over \$4.3 million dollars in illegal drugs have been apprehended by the Henderson County Drug Unit since 2014. Additionally, 245 drug conspirators, traffickers, dealers, and users have been arrested and prosecuted. Sheriff McDonald has prioritized rehabilitation for inmates by encouraging education in life skills and providing addiction resources through private and non-profit programs.

Sheriff McDonald is highly regarded among his peers and has been recognized as a "vetted instructor" by the U.S. Department of State in ATA Counter Terrorism programs since the September 11th terrorist attacks. Sheriff McDonald has worked for private companies as a contract instructor concentrating in law enforcement tactical training and has served as an instructor abroad in South America and the Middle East on Counter Terrorism, Crisis Response, and Tactical Command training and planning.

His devotion to public safety has established him as a respected leader in Henderson County and Western North Carolina. On behalf of the people of North Carolina, it is my distinct honor to recognize Sheriff McDonald for his devoted service to his community.
